INSTALLATION INSTRUCTIONS

# PUNCH ALI HAND BASIN

PUNBASINALIL/R

## COUNTER TOP INSTALLATION

Rear of basin is punched for wall fixing bolts. Any counter top installation is recommended against the wall.

1. Use basin as cutout template and cut 20mm in from traced line.
2. Fit selected tapware and waste to basin. Ensure waste is sealed using flexible sealant around the rim.
3. Apply waterproof sealant to rim of basin.
4. Locate basin complete with fittings onto bench top and press firmly all around.
5. Remove excess sealant.

## WALL INSTALLATION

If fixing to timber framed walls or partitioning the wall should be reinforced with noggin to receive fixing bolts.

1. Drill holes into wall at desired height and fixing centres and install fixing bolts supplied.  
Please note: specifications for both Left-Hand and Right-Hand bowls are pictured below.
2. Fit selected tapware to basin. Fit the waste to basin ensuring it is sealed with flexible sealant on top.
3. Carefully align basin complete with fittings onto protruding bolts.
4. Insert nylon bushes and locking nuts supplied and partially tighten lock nuts to hold basin into position. Make minor adjustments at this stage and ensure basin is level and then fully tighten lock nuts. Do not over tighten.
5. If desired all visible external edges can be joint sealed using flexible sealant ensuring to wipe off any excess.

Disclaimer: Products in this specification manual must by regulation be installed by a licensed trades person. The manufacturer/distributor reserves the right to vary specifications or delete models from their range without prior notification. All dimensions are subject to a tolerance of  $\pm 3\%$ . Dimensions listed are correct at the time of publication. To view the latest installation instructions, warranty and care guide visit [www.harrisonbloynz.co.nz](http://www.harrisonbloynz.co.nz).

## CONSUMER GUARANTEES ACT 1993 (“CGA”)

The warranty referred to in this booklet do not limit or affect your rights and remedies under the CGA. The manufacturers' warranties are in addition to your rights and remedies under the CGA. For further information on your rights and remedies under the CGA please go to [consumerprotection.govt.nz](http://consumerprotection.govt.nz).

## MAINTENANCE

Basin should not be cleaned with abrasive materials e.g. steel wool / abrasive. Do not use any corrosive or abrasive cleaning agents containing acids or scouring agents.

Bleaches can also discolour basin and therefore should not be used. After cleaning, rinse with clean water and polish with a clean soft cloth.

## WARRANTY

As from date of purchase the following Warranty Periods apply:

Product	Residential Warranty	Commercial Warranty
Basin	5 Years	1 Year

In the event of a warranty claim, we will replace or repair defective products, or pay for the cost of having defective products repaired or replaced, but will not be liable for any injury to any person, damage to any property, any indirect or consequential loss, or in any other respect.

### This warranty does not include faults caused by:

- Unsuitable or improper use
- Incorrect installation
- Installation or part installation by the purchaser or any person other than a LICENSED PLUMBER or tradesman
- Normal wear and tear
- Inadequate or complete lack of maintenance
- Chemical, electrochemical or electrical influences.
- Damage caused by force majeure factors such as natural disasters (such as earthquakes, fires) or the product exceeds its warranty period.

### Dear trades person

Could you please ensure a copy of the installation instructions is left with end user for future reference.
