HARRISON BLOY

BATHROOMS • KITCHENS • PLUMBING

Exclusive to Harrison Bloy

The Story

The 'Watersino' collection embodies all that we stand for here at Harrison Bloy, with an emphasis on beautiful design and quality assurance. With nearly 20 years in the industry, Watersino showcase their expertise in craftsmanship and manufacturing, resulting in products of outstanding quality. Their production process integrates advanced technology, expert craftsmanship, and thorough quality control, ensuring that every tap they create embodies precision, durability, and visual appeal.

'An emphasis on beautiful design and quality assurance.'

At Watersino, all products and components must endure vigorous performance tests before making it to the shelves, so it's no surprise the brand has already made a trusted name for itself across much of Asia, Europe, and Australia.

As the exclusive stockist of this quality brand Watersino in New Zealand, we are confident it will find a place in the homes and hearts of kiwis.

The Pin Collection

By Watersino

‘Genius design is that which goes unnoticed.’

Exclusive to Harrison Bloy, the ‘Pin’ collection by Watersino embodies the philosophy that ‘genius design is that which goes unnoticed’.

Featuring subtle curves and softened edges, ‘Pin’ encapsulates an understated elegance that will seamlessly blend into any new or existing bathroom.

Available in a selection of finishes.

Pin Wall Mixer & Spout (Chrome)

Basin / Bath

The Pin collection offers a versatile selection of mixers to suit any inset, semi-recessed or vessel basin. Whether your preference is a classic straight spout, or curved 'drop' spout, you'll find all mixers have one thing in common - a beautiful, minimalist aesthetic.

PVD Finishes:

PVD (Physical Vapour Deposition) is a cutting-edge technology that produces the toughest finishes available on the market. The coating material is transferred to the product on a molecular level, ensuring an even and extremely durable finish.

Warranty Information (applicable to all tapware/wastes):

7 Year Warranty: Covers main body functionality (includes failure to install, crack, leakage, damage etc.)

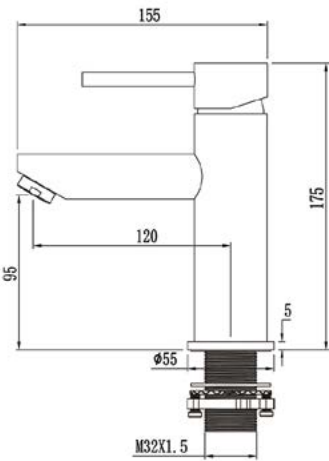

All Finishes: 3 Year Warranty

Harrison Bloy Warranties Void: Any warranty may be voided by unreasonable use, damage or misuse of equipment, problems caused by the misuse of software or faulty software, damage after the goods left Harrison Bloy's control, negligent installation or operation, inadequate packaging, cleaning or maintenance, unauthorised repairs, modifications, or the use of hardware, software, or consumables not supplied by Harrison Bloy.
