Relevant Building Code Clauses:

B2 Durability (B2/AS1) F2 Hazardous Building Material, (F2.3.1), G1 Personal Hygiene, G12 Water Supplies. E3 Internal Moisture

Statement on How the Building Product is Expected to Contribute to Compliance:

B2 - Enya Baths meet the Durability requirements of Nominated Building Elements for Plumbing & Pipe fixtures of not less than 5 years when installed and maintained in accordance with the BTW Bath Installation Guide.

G1 - Enya Baths are required to be connected to a waste system to assist the removal of the water and need to be installed in accordance with the installation instructions.

G12 - Requires hot water for personal washing, showering, or bathing

F2.- Enya Baths are safe when handled and installed as per the supplied installation instructions. There are no requirements for this product to comply with Acceptable Solution F2/AS1, First Edition Amendment 3, 2017

E3 - Requires wet-area waterproof membrane systems to extend properly under and around the bath to prevent structural damage or mould growth. Waterproofing components must meet AS/NZS 4858.

Limitations on the Use of the Building Product:

Must be installed according to installation guide and be installed by a registered Plumber. Designed for domestic and commercial use. Internal Installation only.

Design Requirements that would Support the Use of the Building Product:

This product has been designed in accordance with AS/NZS 2023:1995 Baths for ablutionary purposes.

Installation Requirements:

Installation of these products must be carried out by a Registered Plumber and in accordance with the manufacturer's installation instructions, applicable plumbing regulations and relevant NZ Building Code requirements

Enya.nz

Maintenance requirements:

Maintenance must be carried out in accordance with the manufacturer's care and maintenance instructions. Regular cleaning should be undertaken following Enya's care instructions. Harsh chemicals, abrasive cleaners or unsuitable cleaning methods may damage the finish or performance of the product.
